SENIOR CLASS  
of  
VALPARAISO HIGH SCHOOL  
Valparaiso, Indiana

Hi there  
to a cute freshman  
photo of her  
from our V.H.S.  
Julia Papay

# Westward Ho!

It was in this building the "49ers" established their "impetus" to travel toward "golden opportunities." All the apprentices come and go, but long remembered will be the starting point where they received their schooling.

Around the campus can be seen the grandeur of nature and stylish Spanish architecture, lending an air to the surrounding beauty, an ample incentive for study.

**DEDICATION**  
To  
**CATHARINE SPECHT**

In remembrance of her high ideals, her friendship towards every student with whom she came in contact, and the love and respect in which she was held by students in Valparaiso High School—the senior class of 1949 sincerely and affectionately dedicates this volume of the VALENIAN.

maybe next year

## Where Life is Richer

Presenting the "personnel behind the scenes" whose help and guidance aided the "'49ers" in achieving their respective goals. Through their daily untiring efforts, plus numerous outside preparations, they have succeeded in adapting the students for future years.

## Superintendent

Interpreting the school's needs to the community is one of the main duties of G. Warren Phillips superintendent of the Valparaiso public schools. A brief summary of his other services might include the regulating of finances of the entire school system, overseeing of all buildings and grounds, and acting as a connecting link between the schools and the city. Superintendent Phillips has been head "goldsmith" for five years making many beneficial improvements in the system each year.

Mr. Phillips received his A. B. degree from DePauw University and his M. S. from Indiana University.

## Principal

Upholding the traditions of the school, acting as chief disciplinarian, and making and adjusting programs and schedules for the "apprentices" are responsibilities that rest on the shoulders of Mr. King Telle, principal of Valparaiso High School. With new problems constantly arising, Mr. Telle is kept busy in our ever-changing world. The newer of the two officials, he has served as principal for three years, showing a great deal of enthusiasm and zest in his work.

Mr. Telle received his A. B. degree from Hanover College and his M. S. from Indiana University.

## Secretaries

Answering telephone calls is but a minor item in the daily routine of Grace Rickard and Irene Thiel, secretaries for Mr. Phillips and Mr. Telle respectively. Managing correspondence, keeping files, and greeting the students with a cheerful smile under any circumstances are a few of the numerous services they execute with calm efficiency. Irene Thiel is a novice in her field while Grace Rickard has served the school faithfully for many years.

## SCHOOL BOARD

Board members are elected for the following City Schools. The members are appointed for a term of one year. The board elects a president, treasurer, and secretary each year. The next board meeting is held on the first day of the month. There are always at least two members with prior experience. By alternating the members to a second term they are able to better serve the community. The board is elected by the voters of the city. As this procedure is followed, the board is always composed of the best citizens of the city.

Mr. Carter is the president of the board. The other members of the board are Mr. Burns and Mr. Hathaway.

## A Rich Haul in Knowledge

Starting with an unimaginable scope of education, the students climb up the ladder toward their ambitions. By the time they are graduating seniors, most of them have acquired enduring friendships and great riches in knowledge, not measurable in dollars and cents.

## SENIORS

Progress was the keynote in the '49 graduating senior class history. What a difference can be observed along all lines between the freshman class of '46 and the same group with their high school work now completed. For the most part they have not only gained knowledge available in books, but also a deeper outlook of life brought on by numerous experiences never to be forgotten. School dances, proms, formal athletic games and other extra-curricular activities, all played a part in enriching our school days beyond the actual classroom procedure.

In the fall of '48 the following students were elected to represent the class in their last year in V.H.S. The officers chosen were as follows: Kenneth Dobbins, president; Jack Bailey, vice-president; Joyce Vietzke, secretary; and Mary Griffin, treasurer.

1. The first part of the document is a list of names and titles, including "The Hon. Mr. Justice" and "The Hon. Mr. Justice".

1. The first part of the paper is devoted to the study of the properties of the function  $f(x)$  defined by the equation  $f(x) = \int_0^x f(t) dt$ . It is shown that  $f(x)$  is a continuous function and that it satisfies the functional equation  $f(x+y) = f(x) + f(y)$ . The function  $f(x)$  is also shown to be differentiable and its derivative is found to be  $f'(x) = f(x)$ . This implies that  $f(x) = Ce^x$  for some constant  $C$ . The value of  $C$  is determined by the initial condition  $f(0) = 1$ , which gives  $C = 1$ . Therefore, the function  $f(x)$  is the exponential function  $f(x) = e^x$ .

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as  $\epsilon \rightarrow 0$ . It is shown that the solutions of the system (1) converge to the solutions of the system (2) in the sense of the weak convergence in the space  $L^2(\Omega; \mathbb{R}^n)$ .

ACTIVITIES

## A Good Full Measure

Bringing out one's personality to the fullest and developing qualities of leadership are but a few of the benefits derived from the various clubs and service organizations in V. H. S. "Let there be a place for everyone" stands out as a beckoning for students to find the activity for which they might be best suited

## VALENIAN

The complete activities of school life throughout the year are recorded in the VALENIAN, which is published each year by a group of graduating seniors

This year the book has been sponsored by Mr. Roger Stewart, a newcomer to the faculty of V. H. S.

The staff and photographer have been working since the first days of school, planning and collecting the material for the VALENIAN.

The expense of the publication has been met in various ways. The profit made by senior girls selling candy at the school candy store and at games has been donated for the book, and an assessment has been levied against each club in proportion to the size of its layout.

The VALENIAN has been awarded the All-America Honor Rating three times in its history and has also won numerous other high ratings awarded each year by the National Scholastic Press Association.

## VALPOST

The everyday news in and around V. H. S. is published bi-weekly in the **Valpost**. The paper is edited by the Journalism II class under the sponsorship of Mrs. Emma R. Foor. This group, which was prepared for this type of work in a Journalism I class, does all the writing, proofreading, copy reading, sorting, and mailing of the paper.

The **Valpost** is financed by selling advertisements to local business men and selling subscriptions. All collecting is done by the staff.

The **Valpost** has won numerous first-class honor ratings awarded by the National Scholastic Press Association.

## HI-Y

Clean scholarship and clean sportsmanship are typical mottoes of the Hi-Y who, under the direction of Mr. Ralph Schenck and Mr. Alfred Henkel, strive to attain these ideas. As a junior branch of the Y M C A they work closely with this organization in their various efforts.

The Hi Y chapter in V H S is one of the oldest in the state. Originally a boy became a Hi Y member by accepting an invitation to join. This policy has been changed. Anyone who wishes to join the club makes his intention known by requesting that he be admitted. Much more important than the membership policy change is the growth of the club. When it was first organized it had 35 enrolled and today this membership has increased to 69 full time workers.

The Hi-Y performs many useful services around V H S. At the beginning of each semester they operate the used book store. They sell Hi-Y pencils and operate check rooms at special dances. Each year the club awards a courtesy award to the

Mr. Schenck, a member of the Hi-Y club, is seen in the top left photo. The other three photos show the Hi-Y club members in various activities.

student whom the Hi-Y club elect. The entire club attends a conference at least two times a year, going to a different one each time.

In addition to its regular services, the Hi-Y also sponsors several social functions. At the opening of the school year, they cooperate with their sister club, the Y-Teens, in the initiation party for the incoming freshmen. They sponsor a Hi-Y Best Girl Party, which is attended by Hi-Y members and their best ladies.

Each year the club enjoys its Father and Son Banquet, at which time the members and their fathers become acquainted.

At a special convocation last semester, Mr. Schenck received a Hi-Y pin set with pearls from the State Hi-Y board. The award was made in recognition of Mr. Schenck's twenty years of faithful Hi-Y service.

Our local Hi-Y sent two delegates to the National Hi-Y Conference. This convention was held last summer in Oxford, Ohio. The purpose of this conference was to acquaint all the Hi-Y's throughout the country with the problems of today. The speakers explained ways in which the Hi-Y can help meet these problems.

## Y-TEENS

The Y Teens or Girl Reserves as they were formerly called have been a part of our high school organization since 1929. Through all these years the Y Teens have continued their good work.

The club sponsored by Miss Audrey Shaler attends church in a body every year and encourages regular church attendance. In their spare time and service work they perform many kind and useful services for everyone in the school and in the city. Each year the club sells TB Signs at meetings in downtown Detroit. At various times they deliver baskets of food to deserving families.

### Y-TEENS — SENIORS AND JUNIORS

The Y Teens perform many useful services around school too. Their chief work is helping in the cafeteria by serving food and washing dishes. These duties are carried out by a different group of six girls each week. For this service they are paid \$10 each week by the School Lunch Program.

Not all Y Teen functions are such hard labor. Throughout the year they have three very important social activities. The first of these is the Freshman Initiation Party, which they sponsor in cooperation with the Hi Y. The Turnabout Trot is another important social affair wherein the girls become the ones who ask for dates and escort their boys to and from the dance. The V Room is the largest of the girls' functions. It is held early in the spring at the Junior High School. The dance is semi-formal and music is provided by a band. There is special entertainment provided by a floor show.

## BOOSTER CLUB

Everything for the team has been the motto of the Booster Club since its organization in September, 1946

To achieve this end the club has striven to promote basketball and football throughout the school and the city under the guidance of Mr. Alfred Hankel, Mr. Roger Stewart, and Miss Lillian Elmore

A Booster Club bus goes to every out of town game whenever it is possible. In this way the club provides convenient and reliable transportation to all club members. They also encourage others to follow the team and to always display a spirit of interest and support when attending these games.

When the teams play at home Booster Club members attend all these games too, and lead the cheering section in the yells

The club also contributes to the school's social life. Each year they sponsor the Kick Off Luncheon which is held after the first football game of the year. Throughout the school year they sponsor several dances held after basketball and football games. At times they have sold Viking pins and Booster pins to loyal members in the school.

## THE LIBRARY CLUB

This year a group of students, realizing their lack of knowledge of the library and the literary world in general, conferred with Miss Virginia Smiley, the librarian, concerning their problem. The new Library Club was Miss Smiley's answer to their problem.

In keeping with the reasons for the club's organization the members have set forth as the purpose of the club to develop library interest and to make the library inviting to all their fellow students in the high school

The club has sixteen members. This year they sponsored no social activities but after it is completely organized, this too, will be a part of the Library Club.

## FUTURE TEACHERS CLUB

One way in which the problem of the lack of teachers has been met is the formation of the Future Teachers of America. The chapter in our school was organized in September, 1948, by Miss Audrey Shauer. The purpose of the club is to help future teachers to learn facts about and opportunities of teaching everywhere, to develop qualities essential to a good teacher, and to develop student leadership. The chapter works closely with the National Education Association. The organization, as a whole helps to improve the quality of the people who take up teaching as a career.

## DRAMATIC CLUB

The Dramatic Club is a group of students who are interested in the dramatic life. They are organized by and under the sponsorship of Mr. Burton Conkling. The club is engaged in some activity all the time. The club was organized to help those persons interested in the dramatic life to learn more about its fundamentals. In these studies, the members become acquainted with some of the necessary fundamentals of acting, costume, make-up, and lighting. Another part of this work is presenting recitations and plays which help to accomplish necessary body actions and voice control. All this knowledge is then put to use in the presentation of plays. The club makes all arrangements and does all its own work in preparation for the presentation of the plays. The members make their own scenery, members make up the costumes and they act their own stage, besides acting in the play. The club made the flats which they use now as the background for all their plays last year. Some members go out on special occasions and do the make-up work in different activities around the city. The Dramatic Club is also very active socially. Each year it sponsors the Christmas Formal, one of the school's largest social events. It also sponsors regular school dances at every opportunity throughout the school year.

Hard work and more hard work may well be the theme of the Dramatics Club. The group, organized by and under the sponsorship of Mr. Burton Conkling, is engaged in some activity all the time.

## DRAMATICS

All the training and knowledge of the Dramatics Club are put to practice in plays. The club presents three or four plays a year to the student body at special convocations. Each student pays an admission price of ten cents, which goes to the Dramatics Club for expenses, makeup, and play scripts.

This year the club presented three plays. The first was **The Importance of Being Ernest**. This was the story of two young men who posed as each other so that one could get away from home and the other could win his lady love, but the ending was a great surprise. **Everything Nice** was the second play. It was the story of two little girls who had the art of doing wrong seemingly mastered. The last play presented was **Undertow**, a mystery, which featured an all-girl cast.

The Glee Club, under the direction of Mrs. Mary S. Myers, met two days a week during the first semester of the school year. The club had thirty-three members and was organized for first soprano, second soprano, and alto voices.

Under the direction of Mrs. Mary S. Myers, the Girls' Glee Club met two days a week during the first semester of the school year.

This choral group had thirty-three members. The girls studied three-part music arranged for first soprano, second soprano, and alto voices.

The Glee Club, as well as the Choir, participated in the Porter County Chorus All County Day, December 3, to which each county school sends representatives in an annual affair.

Since the Glee Club and Choir were both rather small the first semester, Mrs. Myers decided to combine the two groups to make a larger choir for the second portion of the year.

## BAND

There has been music in the air around V. H. S. since 1911 when our band was first organized. The members of the band are students who have studied music since they were in grade school and those who took an interest in high school and took lessons to gain a place in the band. Those students who have played instruments for several years often continue lessons in high school, either under Mr. Harold Burton, the director, or teachers who come from South, Berard and Chicago to give weekly lessons. These lessons are private and are paid for by the student who takes the lessons.

The band provides a music tree and rental instrument for band students. Another service the band offers its members is sectional practice which is held once a week. All uniforms are the property of the band, the money for purchasing new uniforms is raised in various ways. However, the first uniforms were paid for by a private citizen.

The band is a very active organization, when it is not practicing, it is busy providing entertainment and pleasure for others in various ways.  
 During the school season, the band presents various programs and entertainments on the field and also stage, eye-filling extravaganzas. Each year they cooperate with the choir and glee club to present their annual concert. Last year the band traveled to Helton and performed for the high school students there. It also took part in the State Band Contest and many members entered as soloists.  
 Band members entertain themselves as well as the public with such occasions as the Band Party. This event is open to band members and their guests only. Last year the party was a hayride with a meal and refreshments afterwards. The members also took on the task of sponsoring a number of school dances throughout the year.

## STUDENT COUNCIL

The Student Council is a student elected advisory body. It takes an active part in all phases of school life and makes decisions in matters concerning student activity. The council is sponsored by Mr. Glen Fisher and Mr. Earle Loren. It has established itself firmly in the organization of the school in the short space of five years. The Student Council was founded in 1944. Originally another organization known as the Recreation Council performed the functions of our present council, but when it was granted additional duties and rights the name was changed to the Student Council.

The Student Council is a representative body elected by the students from each homeroom with the exception of the freshman room 102 which elects three. Council members remain in office as long as they maintain a C average in their work. The president of the council is elected by the entire student body in May of the year preceding the one in which he takes office.

## Council Activities

Among the many activities which the Student Council sponsors are the Homecoming Day, which is the high light of the school year, the annual May Dance, and regular dances throughout the school year.

Each year the Council has a special project, which this year is the re-publication of the Student Handbook, which gives information on courses, scholastic requirements, and credits. Last year, the Council purchased a juke-box for use at school dances.

## Varsity Club

The Varsity Club is another of the younger organizations in school, having had its beginning in 1947. All members of the club are varsity letter winners who have been recommended by the coaches and approved by the principal. Mr. John Wiggins, Mr. Robert Dille, Mr. Paul Miller, and Mr. Kenneth Pifer are the sponsors of the organization. The Varsity Club is very active in the school social life as well as in promoting better sports.

## SCIENCE CLUB

The Science Club is one of the newer organizations in V.H.S. and is one of the oldest. The club was first organized in 1931, and when the chemistry teachers changed in 1945 it was disbanded. Then in the spring of 1947 it was again organized under the sponsorship of Mr. Glen Fisher, chemistry and physics instructor.

The club was organized to provide science students with an additional source of scientific knowledge, and it provides extra time for practical and discussion problems which pertain to science.

Science Club meetings were held every other week on Mondays. For each meeting they have a program which either features a speaker who discusses some topic which has to do with science, or the entire club goes on a field trip to visit a place which is of interest to them in the city. During the past year they visited the Water Works at Flint Lake, the Electrical Division of the McGill Manufacturing Company, the Continental Diamond Fire Company, Herbert Miller Laboratories, United Laboratories, and Valparaiso Technical Institute. During the Easter vacation the entire organization took a trip through the Calumet Industrial region to visit some of the large plants.

The club provides interesting and extensive entertainment for its members. Each year they have a party for the Science Club members and guests, which is usually held the last meeting of the year.

They also have parties on special holidays and a lot of in my school dances.

## VHS ADDITIONS

Two new features have been added to V. H. S. during the past year.

A large new shop building has been erected and will be ready for use by September. The new building was brought from Fort Wayne piece by piece after several terms and many of our students had done there and then the building down. It is an old army building and is very spacious by the Government. The building

will house a general shop, a machine shop, a room for art classes and mechanical drawing, and one large and one small classroom.

The other addition is the drivers' training car, which was furnished through the cooperation of the French Motor Company, in January, to begin a drivers' training course. Mr. Wiggins is the driving instructor and thus has charge of the new car. It is a gray Ford sedan with dual brake and clutch controls.

## ← HOMECOMING

Homecoming, with its parade, game, and dance, was a time of great excitement around V. H. S. The parade started at two o'clock and marched to the Court House lawn for a pep session and talks. The defeat of the West Troopers that night was the highlight of the day.

At the dance, Margaret Zimmerman was crowned queen of the Homecoming by Dick Harrison. The queen's attendants were Helen Miller, Mary Griffin, Barbara Benson, Barbara Claudon, Mary Jane Jontz, and Joyce Vietzke.

## PROM →

Another outstanding gala affair of the school year is the annual Junior Senior Prom. The Prom is sponsored by the entire junior class especially for the graduating senior class. Junior class members make all necessary arrangements and do all the elaborate decorating for the dance themselves.

The gymnasium last year was decorated with blue and white scalloped strips of crepe paper across the room as a false ceiling with reflecting stars hanging from the ceiling at random. A band provided the music, and cookies and punch were served.

The play was a success and the students  
 enjoyed it very much. The play was

# SPORTS

## A Golden Opportunity

"Not failure, but low aim, is crime." Regardless of whether they won or lost, good sportsmanship and cooperation were exemplified by the Vikings throughout the year. The coach exhorts his men to play not only hard and fast but, above all, a clean and honest game. Invaluable is the "hoard of gold" each V. H. S. athlete has accumulated at the end of the season

## A black and white photograph of a man standing in profile, facing right. He is shirtless, wearing a dark belt and light-colored trousers. The image is framed by a dark border.

Vips outstanding victories were against her traditional rivals Lowell was worn down in a hard won victory at Lowell with a score of 12 to 6 Hart was defeated by a score of 9 to 0 in a fast, hard-hitting game. The annual Homecoming game played this year with Wirt, was another victory for Vips and gave the Homecoming the final touch.

I have been thinking of you very much lately, and wondering how you are getting on. I hope you are well and happy. I have been very busy lately, but I will try to write to you more often. ## Fans Well Rewarded

Football, the popular sport enjoyed by everyone, was well attended by the Valpo fans. Fan participation was well rewarded for the Vikings made an admirable showing on the gridiron with six wins, two ties, and two loses. The team was so well supported that at several home games half of the on-lookers were forced to stand

## Cheerleaders

Sue Brown, Bonnie Bucher, and Ruth Ehrisman, the varsity cheer leaders, had a continual task this year. After leading rousing cheers during the football games, they led the yells for the varsity basketball team. These girls were elected by the student body in the spring of 1948

## BASKETBALL

Although Valpo opened the season with an easy win over Crown Point, a difficult schedule denied them further victories for many weeks. In the meantime, the Dillemen never lost faith in their coach and practiced even harder to gain a well-earned victory.

The game with Emerson near the end of the season brought new hope to the team and fans of V. H. S. For in this game, Valpo showed it had the fortitude to forge ahead in the face of seemingly overwhelming odds. This victory gave Valpo its first conference win in over two years.

### Coach

Coach Dille, former All American from Valparaiso University, and Paul Miller, assistant coach, have worked long and patiently with the basketball boys to produce a smooth, precise team. Coach Dille is well qualified to train the players in the art of basketball, as is evident from his excellent record at V. U. To bring the Vikings, who have been a weak team for the past few years up to par requires patience and a lot of hard work. The future looks much brighter for Valpo basketball with Coach Dille at the reins.

### Valpo in Sectional Finals

After a slow season, the Dillemen performed a startling comeback in the sectional tournaments. Valpo gained coordination and played smoothly to fight its way into the sectional finals at Gary with Horace Mann. Throughout the final game, Valpo refused to accept defeat and fought stubbornly until the final whistle was blown.

## MANAGERS

Very few people realize how much work is required of a manager. For instance, just what do you suppose would happen to all the laundry; where would the equipment be scattered what would happen to the foot balls, basketballs, suits, and shoes; who would keep the storebooks? These boys deserve much credit for jobs well done. From left to right they are: John Sullivan, Richard Bundy, George Kilavos, and Leshe Milby

## SECOND TEAM

The second team under the able direction of Coach Miller has shown great promise with a not too impressive record. Lacking height the team has relied on speed to pull them through. From this group, in part, will come next years varsity squad. They have possibilities of developing into a well-rounded, hard-fighting ball club. Next year these boys should make a fine showing in school leadership and sportsmanship

## Track and Golf

This was the best cross country season that Valpo has ever had. Valpo won 6 out of 9 regular meets, placed third at the Hobart Invitational, fourth in the conference, third in the State Regional, and eleventh in the State Finals.

The track team won 4 out of 8 regular meets and placed seventh at the Chicago University Indoor Meet. In the conference preliminary, Tom Morris placed first in 440 and D. Brown second in high jump. At the conference final, T. Morris placed 4th in 440, and D. Brown tied for third in high jump. At the sectional T. Morris placed first in 440, J. Clifford third with shot, and D. Brown tied for third in high jump.

In the spring of '49 golf was recognized as a conference sport. The team played eight conference meets and attended the La Porte Invitational Meet.

A large, stylized, light-colored cross or T-shape centered on a dark background. The shape is composed of a vertical stem and a horizontal bar, both with irregular, hand-drawn edges. The vertical stem is slightly wider at the top and bottom, while the horizontal bar is uniform in width. The overall appearance is that of a simple, abstract symbol or a minimalist logo.

JUNIOR AND SENIOR G. A. A.

FRESHMAN AND SOPHOMORE G. A. A.

and S. A. A.

The G. A. A. Basketball Banquet is held annually in the library of the high school. The main purpose of this banquet is to give awards which the girls have earned during the year. The points are earned for participation in all the sports along with being captain and winner of the round robin or class tournament. A numeral is awarded for 250 points, a monogram for 600 and a sweater for 1,500 points. For each additional 500 points a chevron is given.

At the banquet the girls are given a chance to show their appreciation for the year. A special award is given to the girl who has been the most helpful to the team. The girls also have a chance to win a prize for the most points scored in a game. The girls are also given a chance to win a prize for the most points scored in a game.
